Dear Ms. Schmitt:

Many thanks for sending us your paper on Dorothy Parker's short story fiction. We are extremely pleased to receive these volumes – they represent a substantial amount of work and scholarship. Your paper will be placed in the Dorothy Parker section of our Modern Author's Collection where it will be available for use by scholars and researchers.

Congratulations on the completion of your paper and again, our sincere thanks for sending us a copy.

With best regards,

A handwritten signature in black ink, appearing to read "Robert E. Blesse".
